

**REMARKS**

Claims now in this case are 13-29, of which claims 19-22 stand allowed and prior claims 13-18 were rejected on the basis of double patenting. A terminal disclaimer is filed herewith to overcome the double patenting rejection.

New claims 23-29 are patterned after the prior claims 13-18 and are deemed to be allowable in view of the substantial similarity.

Reconsideration of the case is respectfully requested.

Respectfully submitted,

Dated: July 12, 2005
